Language Courses Conducted by CIG Employees

With reference to CIG Security Regulations, Appendix B, Paragraph 3, requiring clearance for lecture courses or publications, I wish to report that in the past three years I have been teaching Italian and French at the Graduate School of the Department of Agriculture in the evening. I have given elementary language courses consisting of grammar theory, reading and conversation. The courses are intended for students wishing to obtain a basic knowledge of Italian or French.

Since I am scheduled to give two language courses in Italian this fall, clearance is hereby requested.

I have read and digested the CIG Security Regulations and would in no way violate the provisions thereof.
